## Arrange in-bound freight/Material Handling

If you or any other vendor are shipping materials to your booth, be sure to choose **Advance** or **Direct Shipping**:

### Advance Shipping:

- If you ship to the Advance Warehouse, your freight will be guaranteed to be in your booth for the first day of set up.
- Be sure to look at the Late to Warehouse date. Freight being received after the date will incur a surcharge.
- The Advance Warehouse is not able to accept loose unpackaged pieces. Shipping crates, fibers, cartons, hanging signs, carpet, padding and pallets are acceptable. Due to circumstances of timing or facility availability beyond the control of T3 Expo, this may result in an overtime surcharge: please refer to the Material Handling form.

### Direct Shipping:

- If you ship direct to show site, note the dates that shipments can be received. Shipments arriving before these dates may be refused.
  - PLEASE NOTE: Any freight arriving on a Saturday, Sunday or before 8:00 am and after 4:30 pm Monday – Friday or observed local union holidays will incur an overtime surcharge.
2. Check the show timing to gauge which shipping option meets your scheduling parameters and make note of handling surcharges (overtime, off target, late/early to warehouse etc.).
  3. Fill out the Material Handling form in the Service Kit to estimate your costs and submit it with your payment.
  4. Label your freight correctly with your company name, booth number, event/show name and address listed in the Service Kit. Shipping label forms are provided in the Service Kit.
  5. Bring all copies of shipping documents with tracking numbers to show site.

## Order rental booth structure and/or option, if applicable

- Please choose the appropriate option and/or configuration of your booth structure.

## Order graphics/signage and submit artwork, if applicable

- See the Print Production Artwork Requirements page in this Service Kit for format information and submission details.

## Order booth furnishings/accessories, if applicable

- There are forms in this Service Kit with many options to enhance the look of your exhibit. Discount price deadlines are noted on the forms.

## Order T3 installation & dismantle labor, and / or submit EAC forms with proof of insurance

- Venues have different union regulations; please review the Labor Guidelines page to determine if hiring labor to set-up / tear down your exhibit properties is needed.
- If using a firm other than the official service contractor, a Notification of Intent to Use EAC form and proof of insurance must be submitted at least (30) days prior to the first day of exhibitor move-in. Without these documents, your EAC will not be allowed to set any exhibits.

## Order additional/ancillary services

- There may be forms in this Service Kit for other services such as; accessible storage, sign hanging, custom furnishings, electricity, internet, audio visual, lead retrieval, cleaning, floral or catering.
- Some of these services are provided by vendors other than T3 Expo; be sure to submit forms and payments to the proper vendors. Please make note of ordering discount deadlines.

## Submit your order with payment (REQUIRED)

- This will ensure all booth options, graphics, furnishings and accessories are reserved for your event. Orders received without payment cannot be processed. We accept Mastercard, Visa, American Express, company check or wire transfer.

## Arrange out-bound freight

- Before the end of your event, be sure to visit the T3 Service Desk to pick up a Material Handling form.
- No Material Handling form will be distributed unless the account is paid in full.
- There will be a show carrier providing air and/or ground shipping options. If you are using your own carrier, you will need to schedule them on your own for a pickup.
- Please note the carrier check-in time on the Show Information page.
- If your carrier does not check-in by the date/time listed, your freight will be re-routed to ship with the show carrier at your expense.

# On-site Checklist

## **Check all freight when you arrive**

- Verify that all your shipments have arrived in your booth space. Please check against your shipping documentation before unpacking any freight.

## **Booth set-up**

- If you are using T3 Expo Installation Labor, you must go to the T3 Service Desk to inform us that you are ready for your labor.
- Installation/Dismantle Labor start time is only guaranteed when ordered for 8:00 am.
- Once your booth is set up, tag your empty containers with Empty Stickers which can be picked up at the T3 Service Desk.

## **Arrange outbound shipping**

- Before the end of the event, visit the T3 Service Desk to pick up your Material Handling form(s). You will need a separate Material Handling form for each outbound shipping destination.
- Material Handling form(s) will not be distributed until account is paid in full.
- There will be show carriers on-site for air and ground service.
- If you are using your own carrier, you must schedule them in advance to pick up your shipment(s).
- Note the Carrier Check-in date / time on the Show Schedule form.
- If your carrier doesn't check in by the date/time listed, your freight will be rerouted onto a show carrier at your expense.

## **Booth freight packed and ready to ship out**

- Once your freight is packed and labeled to ship out, you must turn in your Material Handling form(s) at the T3 Service Desk.
- Do not leave your Material Handling form(s) in your booth space or on your freight.
- If you do not turn your Material Handling form(s) into the T3 Service Desk, your shipment may be delayed and/or rerouted to a show carrier.

# Material Handling

## Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.

**POV (Privately Owned Vehicle):** If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

## Rate Classifications

**Crated:** Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.

**Uncrated:** Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.

**Small Package:** A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

## Additional Fees May be Applicable

**Late to Warehouse Fee:** Shipments arriving after Friday, April 24, 2026 will be charged an additional 30%.

**Off Target Fee:** If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

## Overtime/Double Time

- Overtime is before 8:00 am and after 4:30 pm, Monday-Friday, and all day Saturday. Double Time is all day Sunday and observed Union holidays.
- Based upon the Material Handling rates quoted, a 30% surcharge per pound for each occurrence will apply if:
  - Shipments are received on overtime.
  - Your advance shipment to the warehouse is received during straight time hours, but due to scheduling beyond T3 Expo's control, is moved into show site on overtime.
  - Shipments are loaded out on overtime.

## Outbound Shipping

- A Material Handling form **MUST** be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and ALL of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

**Carrier Check-in:** All carriers must be checked in no later than Sunday, May 10, 2026 by 8:00 AM. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.

**UPS or Federal Express:** To use these carriers, you **MUST** have their shipping labels for each piece and schedule your pick up. Without these, your freight will **NOT** be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.

**PLEASE NOTE:** There may be an additional fee from the facility for this service.

# Savannah, GA Labor Guidelines

## For Exhibits, Exhibitions, Displays and Trade Shows, Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

### Union Labor

Since Georgia is a right-to-work state, exhibitor personnel may set up their own exhibits if so desired. Union Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged at established rates, using the enclosed order forms.

### Exhibit Labor Jurisdiction

Union exhibit labor claims jurisdiction for the installation, dismantling, and first cleaning of prefabricated exhibits and displays unless this work is done by exhibiting company personnel. They are not required to place your products on your display, open cartons containing your products, or perform testing, maintenance or repairs on your products. If, however, you hire any labor to assist you, it must be through the Official Service Contractor or a contractor which meets all of the regulations as an Exhibitor Appointed Contractor (EAC). Labor can be ordered in advance by returning the attached Display Labor order form, or on show site at T3 Expo's Service Desk.

### Freight Handling Jurisdiction

T3 Expo receives and handles all exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the event. T3 Expo will not be responsible, for any material they do not handle and will have control of the loading docks at all times.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall.

### Electrical & Plumbing

Electrical and plumbing is handled in-house at the Savannah International Trade & Convention Center. Most power comes from the floor at the Savannah International Trade & Convention Center, but ceiling drops can be ordered, mainly for high power situations. Electricians must plug cords into boxes, but the labor contractor or the exhibitor may run them thereafter, including lights, AV, power strips, etc. Twelve gauge cords are required, either flat or round.

### Safety

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. T3 Expo cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, labor can be ordered through T3 Expo by returning the Display Labor order form in this Exhibitor Service Kit in advance, or returning it on show site to T3 Expo's Service Desk.

### Tipping

T3 Expo requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary; this applies to all employees. Any request for tipping should be brought to the attention of a T3 Expo representative at the Service Desk.
