  If you or any other vendor are shipping materials to your booth, be sure to choose **Advance** or **Direct Shipping**:

  Advance Shipping:
  - If you ship to the Advance Warehouse, your freight will be guaranteed to be in your booth for the first day of set up.
  - Be sure to look at the Late to Warehouse date. Freight being received after the date will incur a surcharge.
  - The Advance Warehouse is not able to accept loose unpackaged pieces. Shipping crates, fibers, cartons, hanging signs, carpet, padding and pallets are acceptable. Due to circumstances of timing or facility availability beyond the control of T3 Expo, this may result in an overtime surcharge: please refer to the Material Handling form.

  Direct Shipping:
  - If you ship direct to show site, note the dates that shipments can be received. Shipments arriving before these dates may be refused.
  - PLEASE NOTE: Any freight arriving on a Saturday, Sunday or before 8:00 am and after 4:30 pm Monday – Friday or observed local union holidays will incur an overtime surcharge.
  - Check the show timing to gauge which shipping option meets your scheduling parameters and make note of handling surcharges (overtime, off target, late/early to warehouse etc.).
  - Fill out the Material Handling form in the Service Kit to estimate your costs and submit it with your payment.
  - Label your freight correctly with your company name, booth number, event/show name and address listed in the Service Kit. Shipping label forms are provided in the Service Kit.
  - Bring all copies of shipping documents with tracking numbers to show site.
- ☐ **Order rental booth structure and/or option, if applicable**

  - See the Print Production Artwork Requirements page in this Service Kit for format information and submission details.
- ☐ **Order booth furnishings/accessories, if applicable**
  - There are forms in this Service Kit with many options to enhance the look of your exhibit. Discount price deadlines are noted on the forms.
- ☐ **Order T3 installation & dismantle labor, and / or submit EAC forms with proof of insurance**
  - Venues have different union regulations; please review the Labor Guidelines page to determine if hiring labor to set-up / tear down your exhibit properties is needed.
  - If using a firm other than the official service contractor, a Notification of Intent to Use EAC form and proof of insurance must be submitted at least (30) days prior to the first day of exhibitor move-in. Without these documents, your EAC will not be allowed to set any exhibits.
- ☐ **Order additional/ancillary services, if applicable**
  - There may be forms in this Service Kit for other services such as; accessible storage, sign hanging, custom furnishings, electricity, internet, audio visual, lead retrieval, cleaning, floral or catering.
  - Some of these services are provided by vendors other than T3 Expo; be sure to submit forms and payments to the proper vendors. Please make note of ordering discount deadlines.
- ☐ **Submit your order with payment** (REQUIRED)
  - This will ensure all booth options, graphics, furnishings and accessories are reserved for your event. Orders received without payment cannot be processed. We accept Mastercard, Visa, American Express, company check or wire transfer.
- ☐ **Arrange out-bound freight, if applicable**
  - Before the end of your event, be sure to visit the T3 Service Desk to pick up a Material Handling form.
  - No Material Handling form will be distributed unless the account is paid in full.
  - There will be a show carrier providing air and/or ground shipping options. If you are using your own carrier, you will need to schedule them on your own for a pickup.
  - Please note the carrier check-in time on the Show Information page.
  - If your carrier does not check-in by the date/time listed, your freight will be re-routed to ship with the show carrier at your expense.

Material Handling

Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.
POV (Privately Owned Vehicle): If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

Rate Classifications

Crated: Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.
Uncrated: Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.
Small Package: A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

Additional Fees May be Applicable

Late to Warehouse Fee: Shipments arriving after Friday, September 11, 2026 will be charged an additional 30%.
Off Target Fee: If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

Overtime/Double Time

- Overtime is before 8:00 am and after 4:30 pm, Monday-Friday, and all day Saturday. Double Time is all day Sunday and observed Union holidays.
- Based upon the Material Handling rates quoted, a 30% surcharge per pound for each occurrence will apply if:
  - Shipments are received on overtime.
  - Your advance shipment to the warehouse is received during straight time hours, but due to scheduling beyond T3 Expo's control, is moved into show site on overtime.
  - Shipments are loaded out on overtime.

Outbound Shipping

- A Material Handling form MUST be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and ALL of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

Carrier Check-in: All carriers must be checked in no later than Thursday, September 24, 2026 by 10:00 am. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.
UPS or FedEx: To use these carriers, you MUST have their shipping labels for each piece and schedule your pick up. Without these, your freight will NOT be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.
PLEASE NOTE: There may be an additional fee from the facility for this service.

Nashville, TN Labor Guidelines

Gaylord Opryland Hotel Labor/Facility Regulations

For Exhibits, Exhibitions, Displays and Trade Shows, Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

Booth Labor, Freight and Rigging

Full-time company personnel may be utilized to set an exhibit provided they have positive company identification such as medical identification or payroll stub. Any other labor is to be hired from either an Exhibitor Appointed Contractor (EAC), or through T3 Expo.

Union personnel has jurisdiction in Nashville for the erection, touch-up painting, dismantling, and repair of all exhibits when this work is done by persons other than your full-time company personnel. This work includes wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and erection of platforms used for exhibit purposes. They also have jurisdiction over all freight handling.

Local jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance or repairs of your products. Exhibitors may “hand-carry” material in to the show provided they do not use material handling equipment to assist them. Exhibitors will not have access to the loading dock/freight door areas.

Electrical

Electricians do the electrical work, electrical sign hanging (including rotating signs and headers), and lighting without dimmers. Video monitors and plasma screens are installed by electricians unless a “live feed” is required (this is then done by Union personnel). Electricians distribute power from the source to the booth floor. Exhibitors may plug-in their equipment into the one 20Z/120V AC receptacle. An electrician must be called for any increase in electrical service. Exhibitors may hang up to four small clip-on lights per booth.

Safety

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. T3 Expo cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, labor can be ordered through T3 Expo by returning the Display Labor order form in this Exhibitor Service Kit in advance, or returning it on show site to T3 Expo's Service Desk.

Tipping

T3 Expo requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary; this applies to all employees. Any request for tipping should be brought to the attention of a T3 Expo representative at the Service Desk.
