Material Handling

Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.

POV (Privately Owned Vehicle): If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

Rate Classifications

Crated: Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.

Uncrated: Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.

Small Package: A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

Additional Fees May be Applicable

Late to Warehouse Fee: Shipments arriving after Friday, February 12, 2027 will be charged an additional 30%.

Off Target Fee: If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

Shipments Returned to Warehouse: Shipments returned to the warehouse at close of the show will be charged an additional 30% per pound and must be picked up within 72 hours to avoid storage charges.

Overtime

- Overtime is before 8:00 am and after 4:30 pm, Monday-Friday, and all day Saturday.
- Based upon the Material Handling rates quoted, a 30% surcharge per pound for each occurrence will apply if:
 - Shipments are received on overtime.
 - Your advance shipment to the warehouse is received during straight time hours, but due to scheduling beyond T3 Expo's control, is moved into show site on overtime.
 - Shipments are loaded out on overtime.

Outbound Shipping

- A Material Handling form **MUST** be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and ALL of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

Carrier Check-in: All carriers must be checked in no later than Thursday, February 25, 2027 by 8:00 am. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.

UPS or FedEx: To use these carriers, you **MUST** have their shipping labels for each piece and schedule your pick up. Without these, your freight will **NOT** be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.

PLEASE NOTE: There may be an additional fee from the facility for this service.
