T3 SERVICE INFORMATION & FORMS

T3 Preshow Checklist

☐ **Please click here to view our Terms and Conditions**

☐ **Review this entire Service Kit** (PLEASE NOTE: Payment is required with all orders)

☐ **Arrange in-bound freight/Material Handling**

If you or any other vendor are shipping materials to your booth, be sure to choose **Advance** or **Direct Shipping**:

Advance Shipping:

- If you ship to the Advance Warehouse, your freight will be guaranteed to be in your booth for the first day of set up.
- Be sure to look at the Late to Warehouse date. Freight being received after the date will incur a surcharge.
- The Advance Warehouse is not able to accept loose unpackaged pieces. Shipping crates, fibers, cartons, hanging signs, carpet, padding and pallets are acceptable. Due to circumstances of timing or facility availability beyond the control of T3 Expo, this may result in an overtime surcharge: please refer to the Material Handling form.

Direct Shipping:

- If you ship direct to show site, note the dates that shipments can be received. Shipments arriving before these dates may be refused.
- Check the show timing to gauge which shipping option meets your scheduling parameters and make note of handling surcharges (overtime, off target, late/early to warehouse etc.).
- Fill out the Material Handling form in the Service Kit to estimate your costs and submit it with your payment.
- Label your freight correctly with your company name, booth number, event/show name and address listed in the Service Kit. Shipping label forms are provided in the Service Kit.
- Bring all copies of shipping documents with tracking numbers to show site.

☐ **Order rental booth structure and/or option, if applicable**

- Please choose the appropriate option and/or configuration of your booth structure.

☐ **Order graphics/signage and submit artwork, if applicable**

- See the Print Production Artwork Requirements page in this Service Kit for format information and submission details.

☐ **Order booth furnishings/accessories, if applicable**

- There are forms in this Service Kit with many options to enhance the look of your exhibit. Discount price deadlines are noted on the forms.

☐ **Order T3 installation & dismantle labor, and / or submit EAC forms with proof of insurance**

- Venues have different union regulations; please review the Labor Guidelines page to determine if hiring labor to set-up / tear down your exhibit properties is needed.
- If using a firm other than the official service contractor, a Notification of Intent to Use EAC form and proof of insurance must be submitted at least (30) days prior to the first day of exhibitor move-in. Without these documents, your EAC will not be allowed to set any exhibits.

☐ **Order additional/ancillary services, if applicable**

- There may be forms in this Service Kit for other services such as; accessible storage, sign hanging, custom furnishings, electricity, internet, audio visual, lead retrieval, cleaning, floral or catering.
- Some of these services are provided by vendors other than T3 Expo; be sure to submit forms and payments to the proper vendors. Please make note of ordering discount deadlines.

☐ **Submit your order with payment** (REQUIRED)

- This will ensure all booth options, graphics, furnishings and accessories are reserved for your event. Orders received without payment cannot be processed. We accept Mastercard, Visa, American Express, company check or wire transfer.

☐ **Arrange out-bound freight, if applicable**

- Before the end of your event, be sure to visit the T3 Service Desk to pick up a Material Handling form.
- No Material Handling form will be distributed unless the account is paid in full.
- There will be a show carrier providing air and/or ground shipping options. If you are using your own carrier, you will need to schedule them on your own for a pickup.
- Please note the carrier check-in time on the Show Information page.
- If your carrier does not check-in by the date/time listed, your freight will be re-routed to ship with the show carrier at your expense.

On-site Checklist

☐ **Check all freight when you arrive**

- Verify that all your shipments have arrived in your booth space. Please check against your shipping documentation before unpacking any freight.

☐ **Booth set-up**

- If you are using T3 Expo Installation Labor, you must go to the T3 Service Desk to inform us that you are ready for your labor.
- Installation/Dismantle Labor start time is only guaranteed when ordered for 8:00 am.
- Once your booth is set up, tag your empty containers with Empty Stickers which can be picked up at the T3 Service Desk.

☐ **Arrange outbound shipping**

- Before the end of the event, visit the T3 Service Desk to pick up your Material Handling form(s). You will need a separate Material Handling form for each outbound shipping destination.
- Material Handling form(s) will not be distributed until account is paid in full.
- There will be show carriers on-site for air and ground service.
- If you are using your own carrier, you must schedule them in advance to pick up your shipment(s).
- Note the Carrier Check-in date / time on the Show Schedule form.
- If your carrier doesn't check in by the date/time listed, your freight will be rerouted onto a show carrier at your expense.

☐ **Booth freight packed and ready to ship out**

- Once your freight is packed and labeled to ship out, you must turn in your Material Handling form(s) at the T3 Service Desk.
- Do not leave your Material Handling form(s) in your booth space or on your freight.
- If you do not turn your Material Handling form(s) into the T3 Service Desk, your shipment may be delayed and/or rerouted to a show carrier.

Material Handling

Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.

POV (Privately Owned Vehicle): If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

Rate Classifications

Crated: Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.

Uncrated: Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.

Small Package: A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

Additional Fees May be Applicable

Late to Warehouse Fee: Shipments arriving after Wednesday, November 25, 2026 will be charged an additional 30%.

Off Target Fee: If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

Outbound Shipping

- A Material Handling form MUST be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and ALL of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

Carrier Check-in: All carriers must be checked in no later than Wednesday, December 9, 2026 by 3:00 pm. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.

UPS or FedEx: To use these carriers, you MUST have their shipping labels for each piece and schedule your pick up. Without these, your freight will NOT be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.

PLEASE NOTE: There may be an additional fee from the facility for this service.

- The vehicles must be unload/loaded by full-time exhibitor personnel, by hand.
- Material handling charges and processes will apply to any loads greater than the limits listed above and/or any vehicles that are deemed by T3 Expo not to be a POV.

Cleveland, OH Labor Guidelines

For Exhibits, Exhibitions, Displays and Trade Shows, Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

Exhibit/Booth Installation & Dismantle

The local Carpenter's Union has jurisdiction over the installation, dismantling, crating and uncrating of prefabricated exhibits, including exhibitor-owned carpet or floor tile. Exhibitors may install/dismantle booths 100 square feet or less when two employees can complete the work within one hour. Employees must have been on the exhibiting company's payroll for at least 60 days. Otherwise, Union labor is required. Exhibitors may use hand tools. Power-operated equipment requires Union labor. Tools, ladders and equipment may not be borrowed from the facility or T3 Expo.

Decorating & Signage

The Decorators Union has jurisdiction over pipe and drape, bunting, skirting, foamcore/showcard signs and vinyl banners. Exhibitors may hang signs or banners from their own exhibit or pipe and drape, and place signs within their booth.

Material Handling & Rigging

Teamsters Local 407 has jurisdiction over unloading/reloading exhibitor materials, forklifts and other material handling equipment. Exhibitors may hand-carry materials or use their own 2-wheel dolly. Four-wheel dollies, carts and other material handling equipment are not permitted for exhibitor use.
Exhibitors may roll in equipment weighing less than 100 lbs. if it has built-in wheels. Union personnel perform rigging work. T3 Expo controls dock access and the assignment, loading and unloading of materials. Vehicles may not be left unattended in loading areas and may be towed at the owner's expense.

Audio Visual, Theatrical & Electrical

Stagehand Union personnel handle installation/removal of A/V equipment, theatrical lighting/sound, props and scenery. Meeting room presenters may hand-carry and operate personal-sized A/V equipment. Equipment requiring rigging or attachment to the facility must be handled by the facility's designated in-house A/V contractor. Electrical work is an exclusive facility service, including power distribution and electrical connections for powered overhead signage.

Exhibitor Equipment

Exhibitors may perform technical work on their own machines, including fine-line balancing, programming and cleaning, provided the work does not fall under another Union jurisdiction.

Labor Jurisdiction Questions

Union personnel are not permitted to approach exhibitors or Show Management regarding work rules or jurisdictional matters. Questions or concerns should be directed to T3 Expo or Show Management. The T3 Expo Service Desk can assist if needed.

Standing on chairs, tables or other rental furniture is prohibited. T3 Expo cannot be responsible for injuries caused by improper use of furniture or equipment. Show site areas are active work zones; use appropriate caution. Display labor may be ordered through T3 Expo in advance or at the T3 Expo Service Desk on show site.
