Review this entire Service Kit (PLEASE NOTE: Payment is required with all orders)

Arrange in-bound freight/Material Handling

If you or any other vendor are shipping materials to your booth, be sure to choose **Advance** or **Direct Shipping**:

Advance Shipping:

- If you ship to the Advance Warehouse, your freight will be guaranteed to be in your booth for the first day of set up.
- Be sure to look at the Late to Warehouse date. Freight being received after the date will incur a surcharge.
- The Advance Warehouse is not able to accept loose unpackaged pieces. Shipping crates, fibers, cartons, hanging signs, carpet, padding and pallets are acceptable. Due to circumstances of timing or facility availability beyond the control of T3 Expo, this may result in an overtime surcharge: please refer to the Material Handling form.

Direct Shipping:

- If you ship direct to show site, note the dates that shipments can be received. Shipments arriving before these dates may be refused.
- PLEASE NOTE: Any freight arriving on a Saturday, Sunday or before 8:00 am and after 4:30 pm Monday – Friday or observed local union holidays will incur an overtime surcharge.
- Check the show timing to gauge which shipping option meets your scheduling parameters and make note of handling surcharges (overtime, off target, late/early to warehouse etc.).
- Fill out the Material Handling form in the Service Kit to estimate your costs and submit it with your payment.
- Label your freight correctly with your company name, booth number, event/show name and address listed in the Service Kit. Shipping label forms are provided in the Service Kit.
- Bring all copies of shipping documents with tracking numbers to show site.

Order rental booth structure and/or option, if applicable

- Please choose the appropriate option and/or configuration of your booth structure.

Order graphics/signage and submit artwork, if applicable

- See the Print Production Artwork Requirements page in this Service Kit for format information and submission details.

Order booth furnishings/accessories, if applicable

- There are forms in this Service Kit with many options to enhance the look of your exhibit. Discount price deadlines are noted on the forms.

Order T3 installation & dismantle labor, and / or submit EAC forms with proof of insurance

- Venues have different union regulations; please review the Labor Guidelines page to determine if hiring labor to set-up / tear down your exhibit properties is needed.
- If using a firm other than the official service contractor, a Notification of Intent to Use EAC form and proof of insurance must be submitted at least (30) days prior to the first day of exhibitor move-in. Without these documents, your EAC will not be allowed to set any exhibits.

Order additional/ancillary services, if applicable

- There may be forms in this Service Kit for other services such as; accessible storage, sign hanging, custom furnishings, electricity, internet, audio visual, lead retrieval, cleaning, floral or catering.
- Some of these services are provided by vendors other than T3 Expo; be sure to submit forms and payments to the proper vendors. Please make note of ordering discount deadlines.

Submit your order with payment (REQUIRED)

- This will ensure all booth options, graphics, furnishings and accessories are reserved for your event. Orders received without payment cannot be processed. We accept Mastercard, Visa, American Express, company check or wire transfer.

Arrange out-bound freight, if applicable

- Before the end of your event, be sure to visit the T3 Service Desk to pick up a Material Handling form.
- No Material Handling form will be distributed unless the account is paid in full.
- There will be a show carrier providing air and/or ground shipping options. If you are using your own carrier, you will need to schedule them on your own for a pickup.
- Please note the carrier check-in time on the Show Information page.
- If your carrier does not check-in by the date/time listed, your freight will be re-routed to ship with the show carrier at your expense.

On-site Checklist

Check all freight when you arrive

- Verify that all your shipments have arrived in your booth space. Please check against your shipping documentation before unpacking any freight.

Booth set-up

- If you are using T3 Expo Installation Labor, you must go to the T3 Service Desk to inform us that you are ready for your labor.
- Installation/Dismantle Labor start time is only guaranteed when ordered for 8:00 am.
- Once your booth is set up, tag your empty containers with Empty Stickers which can be picked up at the T3 Service Desk.

Arrange outbound shipping

- Before the end of the event, visit the T3 Service Desk to pick up your Material Handling form(s). You will need a separate Material Handling form for each outbound shipping destination.
- Material Handling form(s) will not be distributed until account is paid in full.
- There will be show carriers on-site for air and ground service.
- If you are using your own carrier, you must schedule them in advance to pick up your shipment(s).
- Note the Carrier Check-in date / time on the Show Schedule form.
- If your carrier doesn't check in by the date/time listed, your freight will be rerouted onto a show carrier at your expense.

Booth freight packed and ready to ship out

- Once your freight is packed and labeled to ship out, you must turn in your Material Handling form(s) at the T3 Service Desk.
- Do not leave your Material Handling form(s) in your booth space or on your freight.
- If you do not turn your Material Handling form(s) into the T3 Service Desk, your shipment may be delayed and/or rerouted to a show carrier.

T3 SERVICE INFORMATION & FORMS

Artwork Submission Deadline:
All artwork due by Friday, March 27, 2026

Print Production Artwork Requirements

PLEASE NOTE:

All artwork must be submitted in **CMYK** (not RGB/HEX).

General File Set Up

Please provide artwork in native forms whenever possible:

- **Adobe Illustrator and Adobe InDesign files are preferred**

When creating multiple-panel signs/structure graphics (booth back walls, etc.):

- **Use Adobe Illustrator for layout**
- Create artwork using one artboard for entire graphic. Don't use separate artboards for artwork spanning more than one panel.
- Include **2" bleeds** on all sides
- Convert fonts to outlines
- Embed all linked images

When creating single-panel graphics/smaller signs (meter boards, placards, etc.):

- **Use Adobe Illustrator or InDesign for layout**
- Include **1" bleeds** on all sides
- Convert fonts to outlines
- Embed or package all linked images

Images

Rasterized pixel-based images such as PSD, TIF or JPGs should be high resolution (150-300 dpi) at full size, 1:1 ratio. This includes images linked or embedded in InDesign or Illustrator files.

Based on viewing distance, below are some basic guidelines for resolution when working with formats such as PSD, TIF and JPG files.

48" x 96" Graphics and larger

Recommended resolution for graphic at full size dimensions:

- Viewing distance of 1-4 feet 200 dpi at full size
- Viewing distance of 5-9 feet 150 dpi at full size

Minimum resolution for graphic at full size dimensions:

- Viewing distance of 1-4 feet 150 dpi at full size
- Viewing distance of 5-9 feet 100 dpi at full size

Graphics smaller than 48" x 96"

- Viewing distance of 1-4 feet 100 dpi at full size

Preferred File Formats

- **Adobe Illustrator (AI or EPS):** Outline fonts and embed all links
- **Adobe InDesign:** Package all fonts and links
- **Adobe Photoshop (PSD, TIF or JPG):** For image files

Accessible Storage Order Form

Important Information

Exhibitor must sign up for accessible storage at the on-site T3 Service Desk.

Accessible storage is for storing items such as giveaways or literature that need to be replenished.

Half hour minimum labor charge to bring items to storage and half hour minimum charge for each time retrieved. Actual hours will be included in final billing.

NOTE: If you are already paying for Advance or Direct Material Handling to T3 Expo, there is no additional charge for Empty Storage. If you are hand-carrying your exhibit and require storage, Empty Storage fees will apply.

Empty Storage fees cover the duration of the event.

Accessible Storage

Accessible Storage is \$2.97 per square foot per day.

*One half hour of labor will be charged to bring items to storage and one half hour for each time items are retrieved from or brought into storage.

Material Handling

Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.

POV (Privately Owned Vehicle): If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

Rate Classifications

Crated: Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.

Uncrated: Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.

Small Package: A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

Additional Fees May be Applicable

Late to Warehouse Fee: Shipments arriving after Thursday, April 30, 2026 will be charged an additional 30%.

Off Target Fee: If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

Overtime/Double Time

- Overtime is before 8:00 am and after 4:30 pm, Monday-Friday, and all day Saturday. Double Time is all day Sunday and observed Union holidays.
- Based upon the Material Handling rates quoted, a 30% surcharge per pound for each occurrence will apply if:
 - Shipments are received on overtime.
 - Your advance shipment to the warehouse is received during straight time hours, but due to scheduling beyond T3 Expo's control, is moved into show site on overtime.
 - Shipments are loaded out on overtime.

Outbound Shipping

- A Material Handling form MUST be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and ALL of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

Carrier Check-in: All carriers must be checked in no later than Friday, May 15, 2026 at 12:00 pm. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.

UPS or FedEx: To use these carriers, you MUST have their shipping labels for each piece and schedule your pick up. Without these, your freight will NOT be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.

PLEASE NOTE: There may be an additional fee from the facility for this service.

Cartload Service

To alleviate issues associated with exhibitors carrying small exhibit materials during move-in, T3 Expo is pleased to provide a Cartload Service. This service will be available during move-in and move-out.

Cartload Services are designed for use by privately owned vehicles (POVs). A POV is considered to be any vehicle that is primarily designed to transport passengers, not cargo or freight. Examples include cars, pickup trucks, passenger vans, taxis, limos, etc. Bobtails, box trucks or pickup trucks pulling small trailers are not considered POVs and Material Handling rates will apply. **No cartload can have a combined weight of more than 300 lbs.** Material Handling charges will apply to any loads greater than the limits listed above.

Special Freight Services – Small Passenger Vehicles Only!
Maximum Weight 300 lbs

- Each cartload will handle (8) pieces or less, weighing less than 300 lbs. total. Each exhibitor will be provided (1) laborer with (1) cart. Each exhibitor will be allowed a maximum of (2) trips from their vehicle to their booth for move-in and (2) return trips from their booth to their vehicle for move-out.
- T3 Expo personnel will direct all vehicles. The cart is not authorized to enter or go to any parking structure. There must be two (2) people with your vehicle; one (1) person to go with your product to the booth space and one (1) person to remove your vehicle from the unloading area to the parking area once Cartload Service is complete.
- The vehicles must be unload/loaded by full-time exhibitor personnel, by hand.
- Material handling charges and processes will apply to any loads greater than the limits listed above and/or any vehicles that are deemed by T3 Expo not to be a POV.

Hand-carry Information

- This service is for those who have small hand-carry items, all of which must fit on the cart.

To receive this service, watch for the Cartload Service signage

United States Fire Department Regulations

For Exhibits, Exhibitions, Displays and Trade Shows – Public & Private

Booth Construction

Booths, platforms and space dividers shall be of materials that are flame-retardant or rendered so, satisfactory to the Fire Department representatives. Coverings for counters or tables used within or as a part of the booth shall be flame-retardant. All electrical wiring and apparatus will be of a 3-wire UL approved type.

Fire Department

A permit shall be required for the following:

- 1) Display and operate any heater, barbecue, heat-producing or open flame device, candles, lamps, lanterns, torches, etc.
- 2) Display or operate any electrical, mechanical, or chemical device which may be deemed hazardous by the Fire Department.
- 3) Use or storage of inflammable liquids and dangerous chemicals.
- 4) Display any internal combustion engine (special requirements available upon request).
- 5) Use of compressed gases. (Permit available for 32CF bottles that are half full or less).

Obstructions

Aisles and exits, as designated on approved show plans, shall be kept clean, clear and free of obstacles. Booth construction shall be substantial and fixed in position in specified areas for the duration of the show. Easels, signs, etc., shall not be placed beyond the booth area into aisles. Firefighting equipment shall be provided and maintained in accessible, easily seen locations and may be required to be posted with designating signs.

Fire-Retardant Treatment

All decorations, drapes, signs, banners, acoustical materials, cotton, paper, hay straw, moss, split bamboo, plastic cloth, and similar materials shall be flame-retardant to the satisfaction of the Fire Department. Booth identification banners and signs shall be flame-retardant unless smaller than 1232 square inches (28" x 44") if separated from other combustibles by a minimum of 12" horizontally and 24" vertically. Oilcloth, tarpaper, nylon and certain other plastic materials cannot be made flame-retardant, and their use is prohibited.

Combustibles

Literature on display shall be limited to reasonable quantities (one-day supply). Reserve supplies shall be kept in closed containers and stored in a neat and compact manner in a location approved by the Fire Department. All exhibit and display empty cartons must be stored in an approved drayage area. If show is under a 24-hour approved manned security program, automobiles are allowed to retain one gallon or less of fuel, and gas caps must be taped. Batteries are to be disconnected and taped.

Storage behind booths is strictly prohibited.

Atlanta, GA Labor Guidelines

For Exhibits, Exhibitions, Displays and Trade Shows, Public & Private

To simplify show preparation, we are certain you will appreciate knowing in advance that labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

Union Labor

Since Georgia is a right-to-work state, exhibitor personnel may set up their own exhibits if so desired. Union Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged at established rates, using the enclosed order forms.

Exhibit Labor Jurisdiction

Union exhibit labor claims jurisdiction for the installation, dismantling, and first cleaning of prefabricated exhibits and displays unless this work is done by exhibiting company personnel. They are not required to place your products on your display, open cartons containing your products, or perform testing, maintenance or repairs on your products. If, however, you hire any labor to assist you, it must be through the Official Service Contractor or a contractor which meets all of the regulations as an Exhibitor Appointed Contractor (EAC). Labor can be ordered in advance by returning the attached Display Labor order form, or on show site at T3 Expo's Service Desk.

Freight Handling Jurisdiction

T3 Expo receives and handles all exhibit materials and empty crates. It is their responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the event. T3 Expo will not be responsible, for any material they do not handle and will have control of the loading docks at all times.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at owner's expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall.

Electrical & Plumbing

Electrical and plumbing is handled in-house at the Georgia World Congress Center (GWCC). Most power comes from the floor at the GWCC, but ceiling drops can be ordered, mainly for high power situations. Electricians must plug cords into boxes, but the labor contractor or the exhibitor may run them thereafter, including lights, AV, power strips, etc. Twelve gauge cords are required, either flat or round.

Safety

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. T3 Expo cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, labor can be ordered through T3 Expo by returning the Display Labor order form in this Exhibitor Service Kit in advance, or returning it on show site to T3 Expo's Service Desk.

Tipping

T3 Expo requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status and we feel that tipping is not necessary; this applies to all employees. Any request for tipping should be brought to the attention of a T3 Expo representative at the Service Desk.
